2016-2017

Early years Foundation Stage Data 2016

Average point scores (APS) shown here are for the EYFS profile only and do not equate to National Curriculum levels. The maximum possible point score for an incredibly able child would be 51. An average child might be expected to score 34 points.

A 'good level of development' (GLD) is deemed to be a child achieving EXPECTED in all prime areas plus Literacy and Mathematics.

Our EYFS exit score and GLD compare well to the LA figures (2016).

	Holy Trinity 2017	Holy Trinity 2016	Holy Trinity 2015	National (2017 figures)
